ISGN Acquires Title Company

ISGN has purchased Richmond Title Services, Plano, Texas, as part of its title business cross-sell strategy. RTS is one of the top 25 independent title agents in the US and has more than 40 employees. According to ISGN, the plan is to cross-sell RTS's services to existing ISGN customers as well as through ISGN's e-services platform, Lenstar, Bridgeline and the MORvision Plug-in Partner Network. A plug-in will be written for all Dynatek MORvision customers. ISGN said in a prepared statement that the acquisition will help ISGN gain market share in the title business by leveraging ISGN's knowledge process outsourcing onshore and offshore processing capabilities. No sale price was disclosed.
